Emergency Polio Fund Drive Planned

LITTLE ROCK (AP) — The National (Polio) Foundation yesterday received permission from Gov. Orval E. Faubus to conduct an emergency fund drive in 27 Arkansas counties between now and Sept. 15.

The drive was initiated as Arkansas reported its 104th polio case of the year. Five persons have died from the disease.

There has been no special drive in Arkansas since 1954 when the state had 385 polio cases. But National funds and a 50,000 allocation from the state Welfare Department eased the money situation somewhat but Charles F. Reed, the foundation's state representative, said additional funds would be needed.

Dr. A. M. Washburn of the state Health Department said yesterday he felt Arkansas' polio epidemic had reached its peak but more is needed to help pay for treatment of those who already contracted the disease.

Hoffa Accused of Betraying Union Members

WASHINGTON (AP) — The Senate committee investigating racketeers has accused Teamsters Union President James R. Hoffa of abusing and betraying the members of his union.

"It would be hard to find a labor leader who has so shamelessly abused his members or his trust," the committee said in a unanimous report Tuesday on hearings held last year.

"He has betrayed these members so frequently," it continued, "that it has become abundantly clear that Hoffa's chief interest is his own advancement and that of his friends and cronies — a great number of whom are racketeers."

The eight-man committee said that unless steps are taken to curb his powers Hoffa will "destroy the decent labor movement in the United States."

The committee report came about the same time that Hoffa failed in an attempt to shake his union loose of supervision by court-appointed monitors.

Justice Felix Frankfurter of the Supreme Court refused to hold up a court order giving a board of monitors power to clean up the Teamsters.

Hoffa had asked that the monitors temporarily be made powerless while his union fought the legality of their powers in the Supreme Court. But the justice said he saw no chance of the monitors irreparably harming the union between now and Oct. 12, when the full court can act on the union's appeal.

Teacher Got Interesting Data on Sex

By RALPH DIGHTON

LOS ANGELES (AP) — A high school teacher who could lose his job because of a controversial sex survey he ran in his class says the questionnaire showed these statistical results:

Of the 60 boys and girls who took the quiz voluntarily, 1g per cent of the boys and 16 per cent of the girls had experienced sexual intercourse.

Fifty-eight per cent of the boys and 34 per cent of the girls had indulged in petting.

Forty-four per cent of the boys and 32 per cent of the girls had intimately fondled members of the opposite sex.

None admitted any sexual perversion.

Cecil Cook, 37, physiology teacher in suburban Van Nuys High School conducted the survey in two classes of 17-year-old boys and girls last January.

A hearing to determine whether Cook will lose his credentials poses this question:

Does a high school teacher have any right to ask his students about their sex life?

Cook ran the survey he testified at the hearing Tuesday, at the request of some of the students who had heard of such a survey being given at another school.

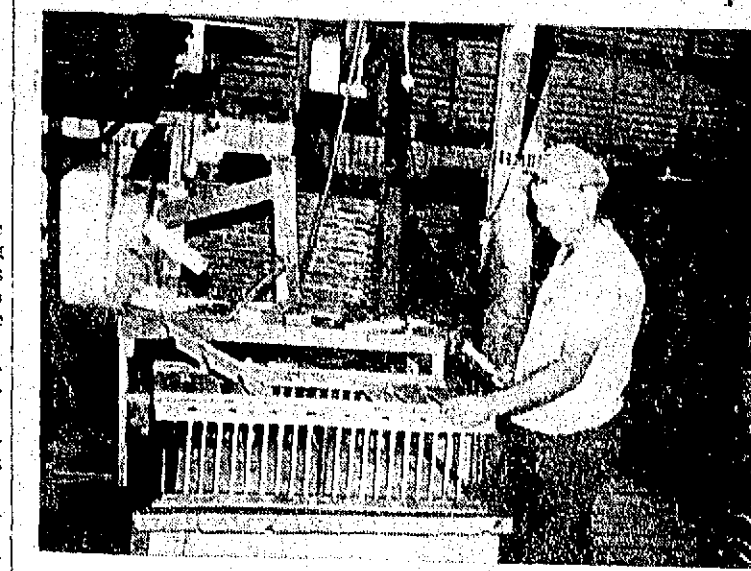

A dozen or more teen-agers, mostly girls, show up for each session of the hearing expected to end today. During recesses some of them crowd around Cook as if he were a football hero — and he looks as if he could have been when he was their age 20 years ago.

Summer Hits With Heat, Humidity

By THE ASSOCIATED PRESS

Summer's stifling one - two punch, heat and humidity, took lot of steam out of the millions of persons in most of the Eastern two-thirds of the country today.

Southerly winds fanned warm moist air from the Gulf into most areas east of the Continental Divide. To the West skies were mostly clear, and temperatures were at seasonable levels.

Temperatures of 20 degrees were reported as far north as the Dakotas early this morning. Only the Upper Great Lakes region and the extreme Northeast, in the warm and humid belt, reported temperatures consistently lower than the 70s.

Showers and rain brought temporary relief to some areas. Thunderstorms and showers were widely scattered from the Colorado Rockies eastward and northward into the Central and northeastern plains and into the upper and mid - Mississippi Valley. Another rain belt extended through Pennsylvania and upper New York State, while light rain sprinkled a few areas along the Atlantic seaboard.

Afternoon and evening showers were in store for most areas from the Rockies eastward to the Atlantic Coast.

Soviet Premier Happy Over Invitation

MOSCOW (AP) — Soviet Premier

Nikita S. Khrushchev declared today in a news conference that he wanted to talk peace with President Eisenhower "without any saboteur rattling."

Khrushchev held a news conference lasting an hour and a half that the talks with President Eisenhower were not intended to replace a summit conference but as a prelude to it.

He said his visit would afford an opportunity for talks — not negotiations.

He gave no precise dates for the exchange of visits. He probably will go to the United States in mid-September, he said, and President Eisenhower will come here later in the autumn.

"If these two powers establish good relations," the Soviet Premier said, "it they cooperate for peace, there will be lasting peace on earth."

He said he saw real opportunities for Soviet-American relations to be based on peace and friendship.

"There are no territorial disputes between our two countries nor any insoluble contradictions, nor any issues which could prevent the establishment of a climate of confidence and mutual understanding," he declared.

Pea Ridge Closer to National Status

ROGERS, Ark. (AP) — The Pea Ridge National Park Commission yesterday moved closer toward getting national park status for the Pea Ridge Battlefield.

The commission told its attorneys to proceed with expropriation action on additional property required before the National Park Service will take it over.

Neill Bohlinger of Little Rock, chairman, predicted all action will be completed by Nov. 1, 1960. He said about 930 acres were needed to add to the park's 3100 acres. The extra land is necessary to prevent encroachment of private business around the battlefield, scene of a Civil War clash.

Bohlinger said the commission would have to be "very careful" in expending its remaining \$200,000 in funds. He noted that the General Assembly had made two appropriations for the site and said, "I'm not going back to ask for more."

"It is interesting in getting the Western powers out of Berlin," he said in his final speech of the conference. "Apparently continued competitive coexistence of freedom and communism in Berlin is unwelcome to the Soviet Union."

"The Soviet proposals to date have seemed to us to be designed gradually to annex these people to the Communist system against their will. This cannot be permitted," he said.

"The ministers agreed to recess the conference ... and it. But the date for resuming negotiations was left open. Far more important now are the discussions Eisenhower and Khrushchev will hold next month in Washington and later in Moscow.

The exchange for visits between the Soviet and American leaders lessened for the time being the Soviet menace to West Berlin. Were it not for this prospective exchange, the failure of the foreign ministers to reach any accord on Berlin might have created an extremely hazardous situation.

The Eisenhower - Khrushchev agreement to exchange visits brought no softening of Soviet tactics in the closing hours at Geneva. Gromyko reportedly made a final effort to ward the communists so as to recognize Communist East Germany as a virtual participant in the conference. The West adamantly rebuffed him.

In its final form Tuesday night, the communiqué said that despite frank and comprehensive discussion the ministers had not found it possible to reach agreement on Berlin. But they said they considered the talks useful.

From 60,000 broilers seven years ago, the industry in the Hope trade territory has grown to more than two million broilers currently on feed, plus rapid expansion in the commercial egg field.

Within the next ten years, Mr. Watson predicted, Southwest Arkansas will be producing twenty million broilers annually, far surpassing any other agricultural endeavor.

With improved methods in the raising of broilers, it now requires only two employees to care for a flock of 60,000 broilers. Mr. Watson pointed out. He cited the case of J. G. Prescott of McCaskill, and other broiler raisers in the Hope area.

Mrs. Freddie Roth Greenan, president of Cornbelt Hatcheries, spoke briefly and told of the vast market of broilers and commercial eggs — and then expressed her thanks to the community for its recognition of the poultry industry by setting aside a special week in the year — Chicken Eat-in Week — from August 3 through August 10.

Other members of the Cornbelt party included Buddy Mhoon, Wayne R. Smith and Mrs. Archie Smith of Ozark, Ark.; Creighton McDaniel, Dr. James E. Shulbach, Dr. Wayne Detloff and Burdett Wynn.

Big 4 Ministers End Conference in Failure Today

By JOHN M. HIGHTOWER

GENEVA (AP) — The Western powers blamed the Soviet Union in the closing session of the Big Four conference today for their failure to reach agreement here on a Berlin settlement. They accused the Soviets of seeking to annex West Berlin into the Communist system.

Secretary of State Christian A. Herter said that as far as he had been able to determine in almost 10 weeks of negotiation, the Soviet Union is "not really interested in improving the situation in Berlin."

"It is interesting in getting the Western powers out of Berlin," he said in his final speech of the conference. "Apparently continued competitive coexistence of freedom and communism in Berlin is unwelcome to the Soviet Union."

"The Soviet proposals to date have seemed to us to be designed gradually to annex these people to the Communist system against their will. This cannot be permitted," he said.

Letter to the Editor: "Members of the Southwest Arkansas Poultry Producers Association met at Fatmos Monday night, voted to express their appreciation to the business and professional people of Hope for their interest in the poultry industry as expressed by the promotion of "Chicken Eating Week."

"We believe this to be a good thing not only because more people are being encouraged to eat more chicken, but also because it will bring the poultry producers and the local business and professional men and women closer together for their mutual welfare."

"The poultry industry, production of both broiler and commercial eggs, has made great strides in this area and throughout the South during the past several years and in doing so serious problems have resulted. The price of our products has steadily declined until there is a likelihood that many if not all of our local farm-producers may be forced out of business by the promoters of vertical integration. Under this system one group of promoters could own in the case of broilers, the breeding flocks, the hatcheries, feed-

City Planning Case Under Advisement

LITTLE ROCK (AP) — Special Circuit Judge John M. Lofton Jr. yesterday took under advisement a suit contesting a 1937 act which gives cities the right to control

planning within five miles of city limits. Lofton, sitting in the absence of Circuit Judge Guy Amsler, invited attorneys to submit briefs within a week. A ruling will follow submission of briefs.

Two Pulaski County landowners, Perry L. Butler and Horace E. McKee, brought the suit as a mandamus action against Circuit Clerk Roger McNair who refused to approve their plans for a subdivision because the plans had not been approved by the Little Rock Planning Commission.

City Atty. Joseph Kemp intervened in the suit in support of the 1937 law while Deputy Prosecuting Atty. Eugene F. Mooney Jr., intervened in behalf of County Judge Arch Campbell who opposes the law.

There was no testimony at yesterday's hearing, since the suit involves only a constitutional question.

After a short business session, Mrs. Nunn presented the program. The hostess and co-hostess served fruit punch and cookies to ten members present.

Miss Betty Nell Beard Becomes Bride of Harold Hartness

On the evening of August 1 at the Garrett Memorial Baptist Church Miss Betty Nell Beard, daughter of Mr. and Mrs. Willie Beard, became the bride of Harold Hartness, son of Mr. and Mrs. Elbert Hartness of Nashville.

The Rev. A. D. Livingston officiated at the double-ring ceremony in a setting of white gladioli and white tapers. The candles were lighted by Misses Brenda Delaney and Sharon Roberts.

Mrs. Glen Parks, Jr., was the vocal soloist, and other nuptial music was furnished by Miss Shirley Allen, pianist.

Given in marriage by her father, the bride wore a street length dress of white net and lace over satin. The long sleeved frock had a "V" neckline. The full skirt had a large bow in the back. A single strand of pearls was the bride's only jewelry. Her fingertip veil fell from a coronet enhanced with seed pearls and sequins. She carried a white Bible topped with a white orchid.

Miss Pat Beard, gowning in pink, was her sister's maid of honor. The organist was, ballerina length with a cummerbund of a darker hue. The sleeves came to the elbows, and a matching bandeau and dainty mitts were worn.

Dressed identically to the honor attendant, but in mint green, were the bridesmaids, Miss Sandra Burke of DeAnn, Miss Valdene Tommemaker, Miss Priscilla Johnston, and Mrs. Larry Cox. Each carried a bouquet of white daisies.

Gowned in pink organdy trim-

med with lace were the flower girls. Miss Linda Hartness of Nashville, sister of the bridegroom, and Miss Jennifer Lynn Rhodes, James Marshall of Nashville, was the best man for the groom. The ushers were Danny Newell and Lloyd Stewart, both of Nashville.

Mrs. Beard mother of the bride, wore a light blue summer frock trimmed with lace, with white accessories. Mrs. Hartness, mother of the bridegroom, wore a navy blue and white lace dress with black accessories. Each had a corsage of white carnations.

Following the wedding, the couple received their guests in the foyer of the church. There Miss Pat Valentine had charge of the bride's book. For their wedding trip to Beavers Bend, Okla., the bride wore a white lace sheath with matching accessories and her wedding orchid. Upon their return, they will make their home in Nashville.

Conoco Oil Co., Employees Has Barbecue Supper

The local crew of the Conoco Oil Co. and their families had their monthly get-together on August 1 at the W. O. W. Hall. It was a combination farewell party for Mr. and Mrs. J. R. Wall, who are moving to Texas this month, and a welcome party for the Fred Miller family, who have just recently moved here.

A barbecue supper with all the trimmings was enjoyed by about 40 people. It was followed by games and dancing during the evening.

Hope Duplicate Bridge Club Meets at Diamond Cafe

The Hope Duplicate Bridge Club had four tables of players when it met at the Diamond Cafe on August 3. In first place were

R. L. Broach and Mrs. E. P. Young, Jr. and Miss Elizabeth Bridwell were the second place couple, and Mrs. J. M. Duffie and Mrs. Marie Hendrix were third.

Rev. W. E. Harris Honored With Hamburger Supper

The staff of radio station KXAR had a hamburger supper for the

centered with an arrangement of orange summer flowers.

A leather travel case was given to the Rev. Harris, a staff member for the past three years who is going to Carnegie, Okla., as pastor of the First Christian Church there. The staff also presented a small baby gift to little Miss Mary Kay Brock.

During the evening delicious watermelon from the local experiment station was also served. Everyone thoroughly enjoyed it and the movies shown of Florida New York City, and the Ozarks.

Mrs. R. D. Franklin Entertained Friday Bridge Club

Mrs. R. D. Franklin entertained her Friday Bridge Club on July 31 at her home. The meeting was held on a glassed-in porch overlooking a beautiful flower garden, and the setting was further enhanced with potted African violets.

Mrs. Tom Wardlaw was a club guest, and high score prizes were won by Mrs. Tom McFarly and Mrs. C. C. Lewis. For refreshments the hostess served ice cream and cake to two tables of players.

Hope Shrine Club Entertained At Hope Country Club

The Hope Shrine Club, their wives, and guests were entertained with a social at the Hope Country Club on July 30, with Jack Lowe, E. P. Young, Sr., Charles Graham, and Webb Lase-

Hospital Notes

Memorial Admitted: Mrs. Roy Fry, Rt. 3, Hope, Aug. 4, 1939.

GORDON BOLAR IN PICTURE AT LEFT connects for a hard American and National divisions of the Doctors League, which the Nationals won 10 to 9 in seven innings. The ball just to right of bat was apparently made shapeless by the impact; actually it is merely a case of vibration which even a shutter speed of 1/1,250th of a second couldn't stop. Gordon, Southland Heights, is the son of Mr. and Mrs. Max D. Bolar.

RANDY O'STEEN IN PICTURE AT RIGHT wears a look of pathos as he completes a full swing — the undisturbed ball showing all its seams as it floats by his hip pocket. Randy, also of the 10th St. Fans of the National division must bear with The Editor for omitting pictures of their boys. In this picture business you are governed entirely by what the photographer comes up with — and luck wasn't with him on his shots of the Nationals.

IN TUESDAY AFTERNOON'S GAME the winning National American team was made up of the pick of the Yankees and Red Sox. The Doctors League is supported by the doctors of Hope, in Fair Park. A. Z. Turner supplied the melons, and the crowd ate

DOROTHY DIX
"Solid Gold" Charmer
Turns Slightly Green

Dear Dorothy Dix: Ten years ago I was left a widow with a nine-year-old son. Three years later a charming man captured my heart and we were married. The

"charmer" turned out to be a pose put on for company; the "solid gold" man showed up as a bad-tempered individual who couldn't be pleased by anything. He complained that the house was run exclusively for my son that he wasn't considered at all in down-time. He sneaked to company, was stingy with money had no patience with me during two brief illnesses, was concerned only because I wasn't given service wasn't even reliable on his job. He lost several good jobs because of his temper. My son has never given either of us a moment's worry. He has been true to his stepfather, called him Dad and has always shown respect and affection. He has worked part-time and summers since he was 12. He has a full-time job now and pays his own expenses. Still my husband isn't satisfied. Now the love is broken in a new town and I'm

contemplating a divorce. This incidentally, is my husband's fourth marriage. He was divorced by his previous wives. This, however, I didn't know until some time after our marriage. Marriage counseling is out; he'd never consent to go with me. Paulette N.

Dear Dorothy Dix: Reggie and I will both be seniors this fall; we have been going steady for a year I don't think I care as much for him as I used to. He works during the day, has chores to do at night and, on weekends may settle down to peaceful co-existence with you. It's time we're real-

ized that he can't shift mates as easily as in his younger days. Incidentally, a little investigation might have saved a lot of trouble for you.
